Woltco Inc. Appointed as PDQ Distributor for Lower Michigan

De Pere, WI (February 16, 2009) – PDQ Manufacturing, Inc., the leading manufacturer of vehicle wash systems, has appointed Woltco Incorporated, as the only distributor serving the lower peninsula of Michigan. Woltco will distribute PDQ’s full range of in-bay automatic products, including LaserWash® and Tandem® RiteTouch vehicle wash systems, MaxAir™ dryers, Access® Customer Management Systems, Wash Access Loyalty Systems (WALS), and Site-Management Systems (SMS).

John Racine, President of Woltco, said, "For the past 15 years we have been supplying operators with outstanding car wash solutions and superior service. We now look forward to proudly representing PDQ. With the addition of PDQ products, we will be able to fulfill all of our customer’s needs with the most technically advanced car wash equipment in the world today. With more than 100 years of car wash experience, our highly trained staff will continue to exceed our customer’s equipment, parts, chemical or service needs today." Woltco Inc. can be reached at (877) 992-7427.

Announcing the appointment, PDQ’s Vice President of North American Sales, Dave Wingert said, "We’re pleased to welcome Woltco as a new partner serving the Michigan market. John and his team will hit the ground running with their ability to immediately service all of our PDQ systems in the territory. This partnership strengthens our commitment to Michigan at a time when other equipment companies are withdrawing or offering reduced capabilities. Woltco, PDQ and our parent company of Dover Corporation offer the unique ability to provide consistently high quality products and service to our Michigan customers."
