**FASTECH Appointed by PDQ Manufacturing  
As Equipment Distributor for Southern California**

**De Pere, WI (September 2, 2009)** – PDQ Manufacturing, Inc., the world’s largest manufacturer of touch-free vehicle wash systems, has appointed FASTECH, as an additional non-exclusive distributor serving the Southern California market. Based in Buena Park, CA, FASTECH will distribute and service PDQ’s LaserWash® and Tandem® RiteTouch in-bay automatic vehicle wash systems, with the capability to also distribute its ACCESS® payment equipment.

“We’re really excited about our new partnership with PDQ Manufacturing,” said Christine Hawley, Vice President of FASTECH. “I think that it will help both PDQ and FASTECH to expand the PDQ name to this market.”

Fueling & Service Technologies, Inc., or FASTECH, is a “one-stop shop” for the service-station industry, offering car wash equipment supply, station maintenance and repairs, fueling-system design and construction, service-station design and construction, system upgrade and compliance-testing services to its customer base. FASTECH can be reached at (800) 788-8815 or [www.fastechus.com](http://www.fastechus.com).

Commenting on the appointment, PDQ’s Vice President of North American Sales, Dave Wingert said, “The Southern California market is important to PDQ and we’re excited to have FASTECH on board as a distributor as we look to grow this market. With the strong customer-service level employed by FASTECH, we’re looking forward to the possibilities this partnership can provide our customers in the future.”
