Autowash Systems, Inc. Appointed by PDQ Manufacturing As Equipment Distributor for Central Minnesota

De Pere, WI (October 25, 2010) – PDQ Manufacturing, Inc., the world’s largest manufacturer of touch-free vehicle wash systems, has appointed Autowash Systems, Inc., as a new distributor serving the central Minnesota market. Based in New Prague, MN, Autowash Systems, Inc., will distribute and service PDQ’s LaserWash® and Tandem® RiteTouch in-bay automatic vehicle wash systems.

“We see an opportunity with PDQ to distribute a high quality, well known in-bay automatic line. Our partnership will allow Autowash to bring this industry leading in-bay line to our customers, and will further grow the Minnesota market. It’s a win-win partnership, and in the long run will produce more opportunities for both of our companies” said Brian Dohm, President of Autowash Systems, Inc., (ASI).

ASI has been a complete service provider for car wash equipment in Minnesota since 1993. ASI currently has four PDQ trained service personal and provides consulting, reclaim, service and peripheral equipment to the area. ASI delivers quality and value to the customer and can be reached at 952-758-4865 or visit www.autowashsystems.com.

Commenting on the appointment, PDQ’s Senior Vice President of Sales, Gerry Hanrahan said, “The Minnesota market is an area that we have been focused on improving our coverage and we’re excited to have ASI on board as a new distributor so that we can service our clients better and help grow our presence in this key region. With a long established presence in the Minnesota market and a reputation for excellent customer service, we are looking forward to the possibilities that our new partnership with ASI can provide car wash owners and operators in the Minnesota marketplace.”
