Advanced Car Wash Systems, Partners with PDQ Manufacturing As Equipment Distributor for Tennessee

De Pere, WI (January 9, 2012) – PDQ Manufacturing, Inc., an industry-leading manufacturer of in-bay automatic vehicle wash systems, is pleased to announce the appointment of Advanced Car Wash Systems as a new distributor serving the Tennessee market. Advanced is expanding into the Tennessee market after over 25 years of successfully providing car wash sales and service in the Georgia and Alabama markets. Advanced Systems and PDQ Manufacturing are very excited about their new partnership. Headquartered in Marietta, GA, Advanced Car Wash Systems will distribute and service PDQ's full line of vehicle-wash systems and peripheral equipment, including the LaserWash[®], Tandem[®] RiteTouch in-bay automatic wash systems, MaxAir[™] drying systems and Access[®] payment terminals, throughout Tennessee, Georgia and Alabama.

Robert Ramsdell, President of Advanced Car Wash Systems, had this to say about his partnership with PDQ. "In 1984 Advanced opened their doors in the Atlanta market. We understand customer service is the driving force to growing our business all of these years. Advanced is pleased to expand our partnership with PDQ Manufacturing, Inc., with a common goal of assisting our customers to achieve their business goals and providing the service our customers deserve."

Advanced Car Wash Systems is one of the largest providers to the car wash industry in the Southeast. For over 25 years they have been providing car wash equipment and service, as such, distribute, install and service commercial car washes for a wide range of services, including Business Consulting, Design and Development, Custom Marketing Programs, Tailored Chemical Solutions and a broad range of Training Programs. Advanced Car Wash Systems can be reached at (866) 403-9274 or by visiting www.theadvancedgroupinc.com.

Commenting on the appointment, PDQ's Senior Vice President of Sales, Gerry Hanrahan said, "The Tennessee market is a strategic area for PDQ and we are very pleased to expand our partnership with Advanced Car Wash Systems to add additional coverage to this important area. Advanced is a highly respected company that has built a solid reputation for service and we are delighted that they are expanding into the Tennessee market."

About PDQ

PDQ Manufacturing is recognized as the technological leader in vehicle wash systems, providing superior quality, outstanding support, and products that contribute to our customers' profitability. Brands include LaserWash[®] In-Bay Automatics, MaxAir[™] Dryers, Access[®] Customer Management Systems, and Tandem[®] RiteTouch Vehicle Wash Systems. Products are sold and supported worldwide through an extensive distribution network. For more information, visit www.pdqinc.com or call (800) 227-3373.
