Hoffman Services Appointed by PDQ Manufacturing As Equipment Distributor for Northeast Illinois

De Pere, WI (September 24, 2009) – PDQ Manufacturing, Inc., the world's largest manufacturer of touch-free vehicle wash systems, has appointed Hoffman Services, as an additional non-exclusive distributor serving the Northeast Illinois market. Based in Wheeling, IL, Hoffman Services will distribute and service PDQ's LaserWash® and Tandem® RiteTouch in-bay automatic vehicle wash systems.

"We see an opportunity with PDQ for more distributors like ourselves to distribute a quality product and provide better service for our customers in the Chicagoland area," said Jeff Meyer, President of Hoffman Services. "We look forward to where we can both grow our businesses in the area and make it a win-win situation."

Hoffman Services, billed as "The Car Wash People," has been a complete service provider for car wash equipment in the Midwest for more than 35 years. Hoffman Services stocks parts for all types of car wash systems, including pumps, motors, gear boxes, hoses, soaps, pre-soaks and waxes. Hoffman Services also has a full inventory of new and used car wash equipment. Hoffman Services can be reached at (847) 459-4033 or by visiting www.hoffman-services.com.

Commenting on the appointment, PDQ's Vice President of North American Sales, Dave Wingert said, "The Northeast Illinois and Chicagoland markets are important to PDQ and we're excited to have Hoffman Services on board as a distributor as we look to grow these markets. With the strong customer-service level employed by Hoffman Services, we're looking forward to the possibilities this partnership can provide our customers in the future."
