**PDQ Manufacturing, Inc., Makes Charitable Donation
To Service League of Green Bay’s Back-To-School Store**

De Pere, WI (August 24, 2011) – PDQ Manufacturing, Inc., the world’s largest manufacturer of touch-free vehicle wash systems, is proud to announce that it has recently made a donation to the Service League of Green Bay’s Back-To-School Store program. Inaugurated in 1994, the Service League’s Back-To-School Store helps children in the Green Bay area prepare for and embrace the joy of the upcoming school year.

Held this year on Aug. 10 at Green Bay East High School, PDQ was one of more than 500 individuals, businesses or foundations to donate funds to the Back-To-School Store that enabled more than 1,500 children from kindergarten through 8th grade to receive the following items in advance of the start of the 2011-12 school year:

- Jeans
- Shirt
- Underwear
- Socks
- Shoes
- Grooming Kit
- Backpack
- School Supplies
- Haircut vouchers
- Storybook
- Dental Screening
- Vision Screening

“We are proud to have a hand in supplying the Service League of Green Bay’s Back-To-School Store program,” said Becky Davies, PDQ’s Human Resources Manager. “This worthwhile program not only lends a hand to those who are less fortunate, but also raises the level of enthusiasm for these children as they prepare to head back to school. This not only pays dividends today in the form of a more enthusiastic attitude about heading back to school, but will do so in future years when these children turn the positive feelings they received as a result of this program into a sense of care that will help sustain it as they enter their adult years.”

About PDQ

PDQ Manufacturing is recognized as the technological leader in vehicle wash systems, providing superior quality, outstanding support, and products that contribute to our customers’ profitability. Brands include LaserWash® In-Bay Automatics, MaxAir™ Dryers, Access® Customer Management Systems, and Tandem® RiteTouch Vehicle Wash Systems.
