**PDQ Makes Annual Charitable Donation To  
Service League of Green Bay’s Back-To-School Store**

**De Pere, WI – August 16, 2013** – PDQ Manufacturing, Inc., an industry-leading manufacturer of in-bay automatic vehicle wash systems, is proud to announce that for the fourth consecutive year it has made a charitable donation to the Service League of Green Bay’s Back-To-School Store program. The Service League of Green Bay is a charitable organization that aims to meet the physical, educational and emotional needs of the children of Brown County by providing volunteer hours and financial support.

Each year, the Back-To-School Store program, which was founded in 1993 and is celebrating its 20th anniversary this summer, provides more than 1,500 elementary-school children in grades K-5 in Brown County with the tools to succeed in the classroom. Each child receives a backpack full of various school items and clothing, including:

- A pair of jeans
- A brand-new shirt
- Athletic shoes
- One package of underwear
- One package of socks
- A backpack
- Essential school supplies
- Storybook of their choice
- Toothbrush
- Dental screening
- Vision screening

Additionally, this year the Back-To-School Store program is donating 1,500 backpacks filled with school supplies to local agencies that will distribute them to area students in grades 6-8.

In 2010, PDQ created a new charitable-donation policy for its employees. This policy allocates money to each employee with those funds able to be disbursed to charities on their behalf. As part of that policy, PDQ makes periodic donations to local charitable organizations, such as the Service League of Green Bay’s Back-To-School Store program.
