**PDQ Manufacturing Names Tony Smith  
Vice President Of Sales – Auto Dealer Sector**

**De Pere, WI – November 15, 2013** – PDQ Manufacturing, Inc., an industry-leading manufacturer of in-bay automatic vehicle wash systems, is proud to announce Tony Smith has joined the company as Vice President of Sales – Auto Dealer Sector. In this role, Smith will be responsible for growing sales efforts in the automotive dealer market. He will report to Gerry Hanrahan, Senior Vice President of Sales for PDQ.

With almost 20 years of experience in account development, sales management, marketing, and customer relationships focused specifically in the automotive dealer market, Smith brings a solid background to PDQ. Prior to joining PDQ, Smith was responsible for development of Sales and Marketing strategy for all OEM dealership equipment throughout the United States for Snap-on Equipment in Conway, AR.

In 2012, PDQ launched the [LaserWash AutoXpress](#), an affordable wash system designed specifically for automotive dealers. The LaserWash AutoXpress features advanced touch-free wash technology that delivers a quick, superior clean with the ability to wash up to 23 vehicles an hour, even the largest SUVs and trucks, including duallys.

“I am very excited to add Tony to the PDQ team. With his comprehensive knowledge of the auto dealer sector, Tony will complement our already strong sales team,” said Hanrahan. “This will help strengthen our efforts to maximize sales in the automotive industry.”

Smith’s previous work experience includes SPX Corporation and Snap-on Equipment, among others. Smith holds a Bachelor’s Degree from Baker College in Auburn Hills, MI, where he majored in Business Administration.
