

PROTOUCH[®]

TANDEM

**PDQ...
The Ultimate Choice
For Providing Your Customers
With A Superior Wash**

“Since installing the Tandem three years ago, our customer satisfaction and loyalty has dramatically increased. Customers love the wide-open bay with virtual treadle and the efficient two bridge, two brush design wash process. The combination of product quality and exceptional distributor support makes PDQ the superior choice for your car wash needs.”

David Comalli

Patriot Car Wash
Pittsfield, MA

The **PDQ ProTouch[®] Tandem** is a unique overhead soft-touch vehicle wash system which provides superior cleaning results

- Wide open wash bay with no floor activation device
- Lower water & chemical consumption for cost effective cleaning
- Dual-bridge design allows multiple processes to take place simultaneously
- Hybrid technology combines high pressure and friction cleaning methods for exceptional cleaning performance
- Single side brush provides 360° cleaning around the vehicle
- Wheel scrubbers provide unmatched wheel cleaning results
- Cleans all production vehicles including large SUVs and dually trucks

Feel comfortable in your decision to purchase PDQ Equipment.
We are proud to be part of **DOVER** CORPORATION A Fortune 500 Company.
